LET'S SKETCH AND PAINT VENICE IN THE FOOTSTEPS OF SARGENT

A VIRTUAL DAY IN VENICE

SEPTEMBER 17th or 18th 2021 9AM- 4.30PM

Spend a virtual day in Venice sketching in the locations made famous by John Singer Sargent and where he found his inspiration for his stunning watercolours. Gondolas, canals, piazzas, and palaces are the background for this day full of colour and movement. Our day in Venice will be guided by John Haycraft and Rob Candy who will guide us through the painting and sketching process as we discover the magic of this sparking city. Learn about Sargent's love of Venice, his watercolour methods, and approaches as we sketch and paint this city built on water. Our day of sketching and painting in Venice will be from 9am -4.30pm and we would expect to finish approximately 6 works throughout the day.

Cost \$100

To ensure that we can keep numbers low, 2 days have been allocated for our Venice adventure and you can select which day best suits you. See Booking Form.
